JBS PAULSEN BCII | BCII SOMETHING DIFFERENT

Regardless of whether you breed Angus, Simmental, or Club Calf, **Something Different** is finally the straight bred, genetic defect free, calving ease bull we have all been searching for, without sacrificing hair or bone and that chubby look that makes those babies so easy to sell! The PB Angus calving ease bull of choice this breeding season.

** Maternal sib to the dominant Dal Portos heifer from two seasons ago.*

Semen available through owners, **CATTLEVisions** and all other major distributors @ \$25/unit.
